In accordance with Texas Attorney General Opinion, the purpose of the Open Meetings Act is to ensure public access to meetings of governmental bodies so that they have the opportunity to be informed about the transactions of public business. It does not provide a public forum for citizens to express opinions. However, if the governmental body decides to allow citizens input, it must not unfairly discriminate, but may establish reasonable restraints on the number, length, and frequency of presentations. Any citizen wishing to address the Board regarding a grievance must follow the adopted grievance policy before approaching the Board. Any citizen wishing to address the Board for any matter not regarding a grievance must request inclusion on the agenda at least 2 working days prior to the posting of the agenda. All requests must be made in writing and must be signed and dated. Requests may be sent to the notice of the superintendent at the administration office.
