It does not provide a public forum for citizens to express opinions. However, if the governmental body decides to allow citizens input, it must not unfairly discriminate, but may establish reasonable restraints on the number, length, and frequency of presentations. Any citizen wishing to address the Board regarding a grievance must follow the adopted grievance policy before approaching the Board. Any citizen wishing to address the Board for any matter not regarding a grievance must request inclusion on the agenda at least 2 working days prior to the posting of the agenda.
